

Like It's Christmas

The _____ on the ground
The love in the air
The _____ bells are ringing
This is what it's all about

The fire is warm
The _____ are singing
And I don't wanna miss a single thing
Don't wanna put end to all this cheer
But as long as you're with me
It's always the time of the _____

You make every day feel like it's _____
Never wanna stop
Feelin' like the first thing on your _____
Right up at the top
I can't deny what I'm feelin' inside
Nothin' fake about the way you bring me to life
You make every day feel like it's Christmas
Every day that I'm with you 

Look at the _____
Twinkling bright
Twenty four seven 
 Every inch of Central Park
Is covered in _____
This could be heaven

And I don't wanna miss a single thing
Don't wanna put end to all this cheer
But as long as you're with me
It's always the time of the year, yeah (woo)
