SECTION A: Reading comprehension

Read the story: **"Gulliver's travels".**

One stormy night at sea, a very big ship was completely destroyed. The only survivor was Lemuel Gulliver. Gulliver was an excellent swimmer. He swam for many kilometers to an island. Gulliver was tired an decided to sleep.

Gulliver slept for a day. When he woke up, he tried to move but he couldn´t. His hair, hands legs and body were tied to the ground. He saw little men running all around him. They were even climbing up to him. One little man, smaller tan Gulliver´s toes, came up to his ear and said "You are in the land of Lilliput. We are the Lilliputians. We are taking you to our Emperor, so please do not say anything" The Lilliputians took Gulliver down the streets of Lilliput. All the Lilliputians were very happy to see the giant.

Finally, they arrived at the Emperor´s place. The Emperor was there to receive Gulliver, "Do you want to stay on this island? So, you have to help my people", he said.

Gulliver was finally free. They gave him food and water and even a house. Gulliver stayed with the Lilliputians, helping them with small activities.

One day an enemy King declared war on Lilliput. The Lilliputians ran to Gulliver for help. Gulliver walked into the sea. He took a long rope, tied all ships together and took them into the water. Gulliver was considered a hero and lived in Lilliput for many years.
