Hai, I'm Priscilla. I have a big family. I want to tell my family. My father is James, he is tall and handsome. He is a construction worker. Every day, he goes to building construction.

My mother is a vet, she is Catherine. She loves animals. My mother is beautiful. Every day, she goes to work by car. I have one brother, he is Bob. Bob is twenty four year old. He is a musician. He always teaches me how to sing well.

I have two uncles, they are Pater and Paul. Pater is an architect. He hasn't married. Paul is a pilot, his wife is Jasmine. Jasmine is a teacher, she is my aunt. Paul and Jasmine have one child, he is Ashton. Ashton is my cousin, he is a pizza boy.

My grandparents all four are still alive. They are Samantha, Hugo, Alfred and Carola. Samantha is a housewife. Hugo is a scientist. Alfred is a fireman. And Carola is an artist. Samantha is Hugo's wife and Carola is Alfred's wife.
