**Apply Concepts**

**Think about each change. Circle how much time you think it may take to happen.**

| Kind of Change | Time It May Take                |
|----------------|---------------------------------|
| earthquake     | few minutes<br>many years       |
| weathering     | few minutes<br>many years       |
| flood          | few hours or days<br>many years |
| erosion        | few hours or days<br>many years |
