

IV EXAMEN DE MATEMÁTICA

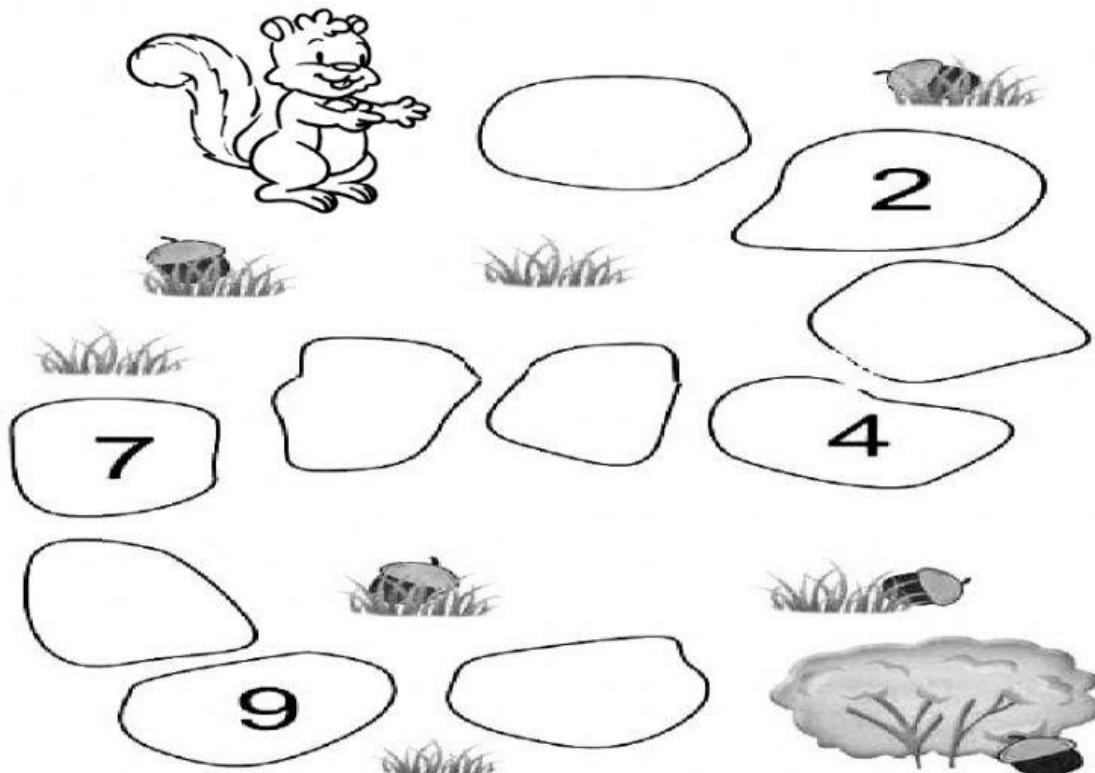

NOMBRE..... GRADO: 4 AÑOS

FECHA: 14/12/2021

1. Cuenta cuánto mide cada objeto y anótalo en la casilla.

2. Escribe el número que continua en el camino.

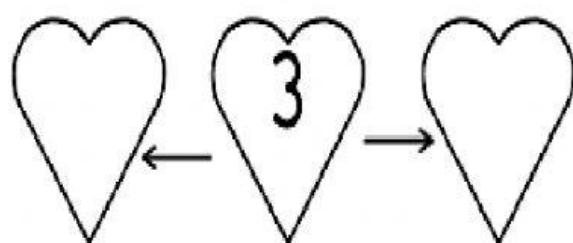

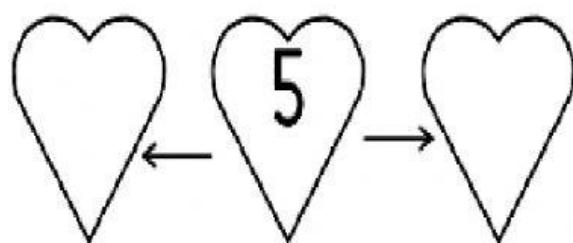

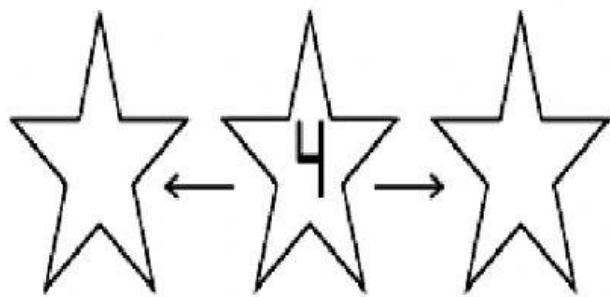

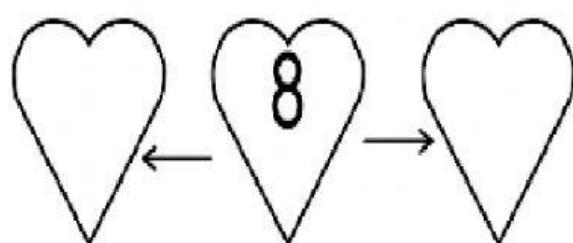

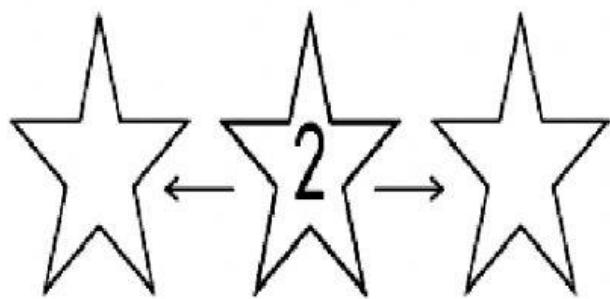

4.- Dictado de números

--	--	--	--	--	--	--	--

3. ESCRIBE EL NÚMERO ANTERIOR Y POSTERIOR.

0 - 1 - 2 - 3 - 4 - 5 - 6 - 7 - 8 - 9

4. Realiza las siguientes sumas. (puedes usar tu máquina de sumar)

$$\begin{array}{ccc} \text{Two pink donuts} & + & \text{One chocolate chip cookie} \\ \boxed{} & & \boxed{} \end{array} = \boxed{}$$

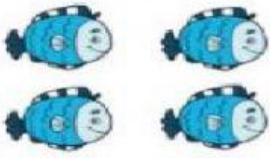

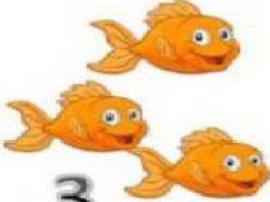

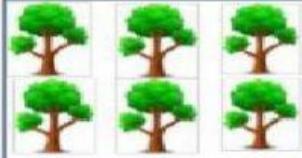

A math problem for children. On the left, there is a single orange with a plus sign below it. In the center, there are three tomatoes with a plus sign below them. On the right, there is an equals sign followed by a large empty box for the answer.

$$\begin{array}{ccc} \text{red car} & + & \text{yellow plane} \\ \boxed{} & & \boxed{} \end{array} = \boxed{}$$

5. Observa y tacha los objetos de izquierda a derecha, resuelve las restas. (puedes usar tu máquina de restas)

7 - 4 =

6. Cuenta las cantidades y arrastra la boca del cocodrilo que corresponde a mayor que, menor que o igual.

	1		4	
	 menor que		 mayor que	
	3			3
	6			5
	 menor que		 mayor que	

8. Escucha y elige el número.

	22	25	29		31	33	38
	13	19	16		8	0	9
	28	26	24		30	33	35
	11	15	18		2	7	4
	20	27	21		36	35	31
		10	17		18
