Casbah Café: The best coffee and snacks in town!

Do you hang out at cafés with your friends? If you do, try the Casbah Café! At the Casbah, you'll get fresh, tasty food and fantastic Italian coffee for less!

The Casbah only opened a few weeks ago at Mount Austin, but it has already become extremely popular. And I can see why. I ordered a sandwich with juicy red tomatoes, creamy white mozzarella cheese and delicious pesto sauce. The sandwich was huge and very filling. I had a strong black coffee to drink and it was full of flavour.

You'll love the Casbah. There are trendy, colourful pictures on the walls and lovely, fresh flowers on the tables. You can definitely take Instagrammable photos over here. The waiters were very friendly and helpful. They recommended the food to me based on my preferences. The service was quick, even though the place was full of customers. I got my food after 15-minutes wait only. They recommended the food to me based on my preferences. There was a lot to choose from on the menu and it was really cheap.

The delicious food and drinks, good prices and welcoming atmosphere make the Casbah Café the hottest place in town. I highly recommend it to all teenagers.
