

Aravali International School

Sector 85, Greater Faridabad

Class IV / Social Science

Chapter- Forests and Wildlife

1. Observe the map given below and answer the questions that follow.

- Name the state where Kaziranga National Park is located.
- How many national parks are shown on the map?
- Name the national park located in Gujarat.
- Name the wildlife sanctuary located in Jammu and Kashmir.
- Name the wildlife sanctuaries situated in Rajasthan.

II. Imagine yourself as a bird living in a forest. You have flown away from your nest in search of food for your little children. Upon returning, you find that your home is being destroyed by humans. Describe in 3–4 sentences how you, as a bird, would feel witnessing this scene
