This is part of a report by the Chairman of the Charities Committee of a Club.

By March this year, we shall have raised enough money, we hope, to buy the equipment for the Youth Club. When we have raised the money, we are planning to go back to the Youth Club leaders in order to discover exactly what is needed most. Plans have been made for the Book Sale which will be held on 15th February. This means that many of us will be spending the first two weeks of February collecting books. The event is likely to be held in the Town Hall, if there are problems here, however, we hope that other Club members might come up with some alternative suggestions.

As we are proposing to sponsor a student from Africa on a three-month language course in this country, we also intend to hold a Charity Dance in the spring. Such events are apt to be difficult to organize, so all members of the Club are invited to contribute or help in any way they can. The moment I was asked if we could possibly help in some way with the new Club for the Disabled. I said yes. As Chairman, bound(*chắc chắn*) to say that this is the sort of social work many Club members would like to do, other than simply raising money. We are therefore planning to ask members if they can perhaps help out on one Saturday every month (on a rota basis).

Finally, by January next year the Club will have been going for twenty years, and the Committee intend to mark this anniversary with some kind of dinner, a dance or a party. We have already been offered (unofficially) the use of the dance hall at 'The Forest Hotel'. However, we shall be devoting one of our meetings in the near future to full discussion on the form of the event, etc. Any suggestions will be welcome.
