Nick: Who are the main(2)……..?

Duong: Lac Long Quan – the dragon king of the (3) ……. Au Co – a fairy, and their sons.

Nick: One hundred baby boys? That's a lot.

Duong: And some years later, Lac Long Quan missed the sea so he took fifty of their sons to the sea, and Au Co took the others to the mountains. Those boys were the (4)……..……of the Vietnamese.

Nick: What an (5)……legend it is! I think I've found the subject of my project!
