

Listen to the song “Let it snow” and fill in the gaps

Oh, the outside is frightful
 But the fire is so delightful
 Since we've no place to go
 Let it snow, let it snow, let it snow

It doesn't show signs of stopping
 And I brought some corn for popping
 The lights are turned down
 Let it snow, let it snow, let it snow

When we finally kiss goodnight
 How I'll going out in the storm
 But if you'll really hold me tight
 All the way home I'll be warm

The fire is slowly dying
 And, my dear, we're still goodbyin'
 As as you love me so
 Let it snow, let it snow, let it snow

**Listen to the song again and find the four adjectives missing.
 Then work out on the synonyms**
