

Listen to the song “Let it snow” and fill in the gaps

Oh, the outside is frightful
But the fire is so delightful
Since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I brought some corn for popping
The lights are turned down

Let it snow, let it snow, let it snow

When we finally kiss goodnight
How I'll going out in the storm
But if you'll really hold me tight
All the way home I'll be warm

The fire is slowly dying
And, my dear, we're still goodbyin'
As as you love me so
Let it snow, let it snow, let it snow

**Listen to the song again and find the four adjectives missing.
Then work out on the synonyms**
