LIVEWORKSHEETS

C. Read the text, then, decide true or false.

My name is Tom. I got my first job when I was 12 years old. I worked as a paperboy delivering newspapers to people in my village every morning. I used to get up very early and deliver the papers to half of the village, and my friend Ben used to deliver to the other half. I used to like the empty streets of the village at 5:00 am every morning, but I used to hate the job on rainy days. Sometimes, I used to ride my bike, but Ben was very lucky, sometimes his Dad used to drive him around his route in his car!
