

Read the customer information from the website of a bank. Are these sentences **true (T)** or **false (F)** or is there **no information (NI)** in the text?

A screenshot of a web browser displaying the Universal Bank website. The browser window has a title bar with standard OS icons and a navigation bar with back, forward, and search buttons. The website has a dark blue header with the text "Universal Bank" in white. Below the header, the main content area is light blue and contains two columns of text. The left column describes the bank's services for large and small customers, including current accounts, direct deposit, and cash dispensers. The right column describes deposit accounts and loans, mentioning interest and expert advice.

Universal Bank

We are a full service bank and offer products to both large and small customers. For people who want to regularly deposit and withdraw money, we suggest opening a current account with us. You can receive your salary through direct deposit and pay your bills through direct debit. With your bank card you can withdraw money from cash dispensers everywhere and at any time. You can also get your statements of account from the machines at the bank so you know how much money you have in your account.

For people who want to save money, we suggest a deposit account. With this account you can save money for the future and earn interest on it. We have both long-term and short-term deposit accounts. You can decide.

And when you need to borrow money, you can come to us. We arrange long-term or short-term loans. Whatever your financial needs are, we are here to help. Talk to one of our experts today!
