Reading Comprehension

Today, I want to tell you about some of my friends' fashion styles. First, I want to talk about Lindsay. Lindsay is the most fashionable person I know. She is always reading fashion magazines because she wants to keep up with all the latest trends. She wants to design clothes for a living. Bryce is the most popular kid in my school. He collects sneakers. He wears a different pair every day, and his outfits always match his shoes. Next, is Walter. Walter used to wear clothes that were really loose. But now, he wears clothes that are too tight. He likes buying clothes from expensive brands. Jane loves to wear skirts and jewelry. She has lots of rings and necklaces. She goes shopping every weekend. She is really good at finding cheap but fashionable clothes. Lastly, I would describe Trent's style as casual. He wears clothes that are simple and comfortable. He doesn't like to wear shirts that have unusual patterns on them.
