

Grammar: *in case* + present simple

★ Complete the dialogue with the present simple form of the verbs in brackets.

Joe: Right, Mum, I'm all packed and ready to go to Greece. Ben and his parents will be here in a minute. ... What's that?

Mum: Just a few things you might need. An umbrella, in case it 1 rains (rain). A blanket in case you 2 _____ (be) cold at night. A CD player in case your MP3 player 3 _____ (not work). Some books in case you 4 _____ (not have) anything to do in the evenings. A cook book in case you 5 _____ (not like) Greek food. Some batteries in case the shops 6 _____ (not sell) them. A Greek dictionary in case the people 7 _____ (not speak) English ...

Joe: ... and some money for a doctor in case I hurt my back with this heavy rucksack! It won't rain, it won't be cold and I've got everything I need in here!
