

# Lesson №7

## Baranivka Lyceum №1

1. Read the text about lyceum quickly. Which paragraph contains information about:
  1. its building?
  2. its museum?

**A**

This is our lyceum. It is a nice four-storied building. It was founded in 1923 but new building of the lyceum was built in 1995. The walls are yellow and green. The windows are big.

There is a big yard in front of our lyceum. We can see some young trees in it. They were planted by the pupils. You can see also the football field behind the lyceum.

There are many nice, light and well-equipped classrooms in the lyceum. There is a lot of pupils study here. Our lyceum has 3 IT classrooms, Biology, Geography, Physics and Chemistry classrooms. You can visit the modern lingual classroom for learning foreign languages. There are 2 big gymnasiums, a library, a school canteen, a cozy cafe and a comfortable concert hall.

We like our lyceum because it is an original country of noise, humor, marks and strictness of teachers.

**B**

Baranivka lyceum is famous for its museum of Lesia Ukrainka. It is one of the most visited places here. It was created by pupils and teachers of our lyceum. The exhibits of the museum tell us about the life and work of a famous Ukrainian poetess Lesia Ukrainka.

The pupils of our lyceum have conducted a great research work. As a result, the museum is rich in unique things and facts. The walls are decorated with pictures illustrating scenes from Lesia Ukrainka poems. Interesting excursions are often held here. If you didn't visit the museum, you are welcome.
