Hi, my name's Mohamed and I'm thirteen years old. I <sup>0</sup> *live* in a place called Malé, which is the <sup>1</sup> \_\_\_\_\_ of the Maldives. They are islands in the Indian Ocean. Malé is quite big (<sup>2</sup> \_\_\_\_\_), but it's not like European or American cities. It's near the equator (the line around the middle of the world) so <sup>3</sup> \_\_\_\_\_ is always hot here. I love <sup>4</sup> \_\_\_\_\_ in the sea near my home <sup>5</sup> \_\_\_\_\_ the sea is really warm and there are so many interesting things to see.

I usually get up at 7 a.m. and <sup>6</sup> \_\_\_\_\_ I have <sup>7</sup> \_\_\_\_\_. My sister starts school at 8.30 a.m., <sup>8</sup> \_\_\_\_\_ I start at 8.00 a.m. She is only nine years old <sup>9</sup> \_\_\_\_\_ she goes to a primary school and they start later than my secondary school. And <sup>10</sup> \_\_\_\_\_ school, I meet my friends and we go to the beach together. It's a good place to live!
