a. any

b. some

c. not a

Part 3. Read. Write T for True or F for False.

Do you like lemons? This is a lemon farm. Are there any lemons on the trees? Yes, there are! Lemons start as white flowers on a lemon tree.

This is a lemon seed. The seed grows into a tree. After two to three years, the tree has fruit lemons! You can buy lemons at the store. They are yellow. You can use them to make delicious lemonade.

___ 1. Lemon trees grow from seeds.

___ 2. Lemon trees have fruit after two or three months.

___ 3. A lemon tree has pink flowers.

___ 4. The lemon tree has flowers first and then fruit.

___ 5. Fruit lemons are white.
