VI. Read and answer the following questions.

Yoga originates in India and it is good for both your body and mind. Anyone can do Yoga- women or men, adults or children. Special children's classes are devised to help them cope with pressures they feel from school work. By learning how to co-ordinate breathing and movement, yoga helps them to develop body awareness, self-control and flexibility. Taking up yoga also helps them to focus and become better with daily routines. An ideal time to do yoga is before breakfast.
