Watch a video about the illegal trade of animals in Thailand. For questions 1 to 8, decide if the following statements are True or False.

1. Pangolins are used as food in China.
2. The police seized 173 pangolins worth 3,000 dollars.
3. They have only arrested the truck driver.
4. The truck driver was taking the animals to Malaysia.
5. Thailand's illegal trafficking is so common because some of its borders are not too well controlled.
6. The police don't usually go to Bangkok's famous animal market.
7. Thai's law is another problem, because it is very permissive.
8. Some traffickers breed their own animals in captivity to avoid the law.
