

0 1 2 3 4 5 6 7 8 9 10 11 12 13 14

I count the dots on each side of the domino and write the number underneath. I count how many there are altogether and write the total number.

أَعِدُّ النِّقَاطَ عَلَى كُلِّ جَانِبٍ مِنْ حَجَرِ الدُّومِينُو، وَأَكْتُبِ الْعَدَدَ، ثُمَّ أَعِدُّ جَمِيعَ النِّقَاطِ، وَأَكْتُبِ الْمَجْمُوعَ.

$$\bigcirc + \bigcirc = \bigcirc$$

$$\bigcirc + \bigcirc = \bigcirc$$

$$\bigcirc + \bigcirc = \bigcirc$$

$$\bigcirc + \bigcirc = \bigcirc$$
