

Passage 1

People adore cupcakes for more than the obvious reason. A good deal of the enjoyment is the fun you can have making them yourself, making sure to achieve that perfect ratio between cake mixture and frosting. Most importantly, perhaps, no one expects you to share a cupcake, so it's yours and yours alone!

For lovers of cupcakes, *Betty Crocker: The Big Book Of Cupcakes* provides over 175 tempting recipes for a wide variety of buns. The 335-page manual is divided into six chapters: Cupcake and frosting basics; Simply delicious cupcakes; Bake-sale favorites; Kids' party cupcakes; Dazzling holiday cupcakes; and Special occasion cupcakes.
