LIVEWORKSHEETS

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct word(s) for each of the blanks.

Halloween is celebrated in many parts of the Western world, and is a time when people dress up (10)..... witches or ghosts, and go " trick or treating". It is one of the most popular traditions in the United States and Britain.

The celebration (11)..... about two thousand years ago with Celts. These people were the (12)..... of an area that includes Britain, Ireland and Brittany. They relied on the land for their livelihood, and this meant that they were at the mercy of unpredictable weather conditions, especially during the winter. The Celtic new year began on 1st November, which also marked the beginning of winter, a period traditionally associated with death. On the eve of the new year, it was believed that the barriers (13)..... the world of the living and the dead were temporarily withdrawn, and it was possible to communicate with spirits.

When the Roman completed their (14)..... of Celtic lands, they added their own flavour to this festival. The advent of Christianity brought about yet other changes.

Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the questions.

The population of the world has increased more in the modern time than in all other ages of history combined. World population totaled about 500 million in 1650. It doubled in the period from 1650 to 1850 . In 1970, the population was more than five billion. Estimates based on research by the United Nations indicate that it will more than double in the twenty-five years between 1975 and the year 2000, reaching seven billion at the beginning of the 21st century.

With recent advances in science and technology, including improved agricultural methods and great strides in medicine, some of the limiting factors in population growth have been lessoned, with obvious results.

International organizations have put forward several recommendations to alleviate the problem of overpopulation, including an increase in food production, general economic development in target areas, and a decrease in brth rates. Most experts agree that it will be necessary to combine all three recommendations in an effort to affect a lasting solution.
