RESTO

The diagram shows a long division problem: $85 \div 5$. The divisor 5 is written outside the division bar on the right. The dividend 85 is written inside the bar at the top. Below the bar are several empty boxes for the quotient digits. A horizontal blue line separates the first two boxes from the rest. The word "COCIENTE" (Quotient) is written in green below the boxes. At the bottom, there is a red box labeled "RESTO" (Remainder).
