Care Organization was established in 1945 to help people after World War II. It distributed over 100 million food packages. Meanwhile, it was starting self-help programs. Today it has development programs in 37 countries. Care gives equipment and teaches people how to build water systems, roads, school, houses, and health centers. It also teaches people how to increase production on their farms, how to reforest areas, and how to start small village industries. Care also provides food for about 30 million people, most of whom are children. It gives special help where there is a flood, an earthquake, a drought or a war.
