

Chia cho số có hai chữ số (tt)

5781 : 47

A 10x10 grid with a green background. The top row contains blue squares with numbers: 4, 6, 7, 4, 8, 2. Below the top row, there are several empty blue squares arranged in a pattern: a row of three squares, a row of two squares, a row of three squares, a row of three squares, and a single square. A vertical line separates the grid into two columns of five squares each.

A 10x10 grid with numbers 5, 7, 8, 1, 4, 7 in the top row and empty boxes below. A vertical line separates the grid into two 5x10 sections.
