I live in a large city in the center of Columbia. It is called Santa Fe de Bogota and is the capital of Columbia. It is a large and populous city. The city is surrounded by high mountains, rivers, and amazing landscapes. The city center is expensive and noisy. It is also dangerous after mid-night. People are always running and rushing for their jobs, schools, and other work. Traffic is awful too. Therefore, I do not like this area too much. My city also has many great universities, as well as some important libraries. Many people travel to this city for its growing education.

In addition, there are about 160 shopping malls. Some most famous malls are Centro Andino, Santaféand Centro Mayor. If you like quiet space, you can visit the historical area.
