

UNIT 2: TRAVELLING

E) WRITING

ESSAY INTRODUCTION – REVISION

1. From the given body sentences, write the introductory sentences and thesis sentences. You can use the words in the brackets or come up with your own words.

a. (good / bad)

Introductory sentence: Nowadays, most people play video games in their free time.

Thesis sentence: _____

Body:

- On one hand, people can have fun and relax when they play video games.
- On the other hand, playing games makes people waste time.

b. (bus / benefits)

Introductory sentence: Many people prefer commuting by motorbikes.

Thesis sentence: _____

Body:

- It's greener to get around by bus – buses help reduce air pollution by taking cars off the road.
- Travelling by bus can be a less stressful way to travel and free up valuable time.

c. (English / difficult and boring)

Introductory sentence: _____

Thesis sentence: However, there are some easy and relaxing things you can do to make it better.

Body:

- You should subscribe to podcasts or Youtube channels in English.
- You should watch movies with English subtitles.

d. (school trip / enjoyable / convenient / all students)

Introductory sentence: _____

Thesis sentence: That is why the best choice is to go to the amusement park.

Body:

- There are all kinds of exciting activities for everyone to enjoy.
- We can eat different kinds of junk food and drink fizzy drinks whenever we want.

e. (cooking at home / cheap / healthy / reasons)

Introductory sentence: _____

Thesis sentence: _____

Body:

- When you cook at home, you're able to control the type of food you eat.
- When you eat out, you pay less for the food and more for the service.

2. Write an introduction for the topic below.

Write about how to plan a trip to another country.
