

Let's describe and compare animals

First, check and remember some adjectives and their comparatives that you can use:

ADJECTIVES	COMPARATIVE
small	smaller
fast	faster
light	lighter
big	bigger
slow	slower
heavy	heavier
dangerous	more dangerous
intelligent	more intelligent

Choose 3 adjectives to describe each animal

Now compare them. Write four [4] sentences.

Look at the example:

The mouse is smaller than the lion.
