

Unit 1: Exercise 6

Read the information. Then put the verbs in the correct column.

State and action verbs

State and action verbs are verbs that refer to a state, an action or event.

With state verbs, we usually use the present simple.

Example: I **want** it. NOT ~~I'm wanting~~ it.

With action verbs, we can use the present simple or present continuous. We use the present simple for habits and present continuous for things happening now.

Example: I often **drive** to work but I'm not **driving** to work today.
