STOP CRYING YOUR HEART OUT

By Oasis

Hold up.

Hold on.

Don't be

You'll never change

What's been and gone.

May your smile (may your smile)

Shine on (shine on).

Don't be scared (don't be scared) |

Your destiny may keep you

'Cos all of stars

Are fading away.

Just try not to worry.

You'll see them someday.

Take what you and be on your way.

And stop crying your heart out.

Get up (get up).

Come on (come on).

..... are you scared? (I'm not scared).

You'll never

What's been and gone.

'Cos all of stars

Are fading away.

Just not to worry.

You'll see them someday.

Take what you and be on your way.

And stop crying your heart out.

We're all of us stars.

We're fading away.

Just not to worry.

You'll see us someday.

Just take what you

And be on your

And stop crying your heart out.

Stop crying your heart out.
