

## 2 Complete the events.

Hi, I'm Anna. The people in my family do interesting things. My grandad loves sport so he usually sees a football

<sup>1</sup> match at the weekend at the stadium. Mum likes the theatre so she often sees a <sup>2</sup> \_\_\_\_\_.

I like wearing costumes so I always have a fancy <sup>3</sup> \_\_\_\_\_ party on my birthday. My older brother James is a good singer. He loves music and often goes to a <sup>4</sup> \_\_\_\_\_ to hear his favourite band.

My uncle, Paul, is also a good singer. He wants to be famous, so he is in a <sup>5</sup> \_\_\_\_\_ competition at the moment. I hope he wins! Dad loves being outdoors. So he often takes us to the park for a <sup>6</sup> \_\_\_\_\_. He makes all the sandwiches!
