

# Chapter One Main Ideas

In one column, write about the things you like. In the other column. Write about the thing you do not like.

En una columna, escribe sobre las cosas que te gustan. En la otra columna, escribe sobre las cosas que no te gustan.

| I like<br>Me gusta | I do not like<br>No me gusta |
|--------------------|------------------------------|
|                    |                              |
|                    |                              |
|                    |                              |

List the English words that go with the topic.  
Enumere las palabras en inglés que van con el tema.

|  Food |  Colors |  Action verbs |
|-----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|
|      |        |             |
|      |        |             |
|      |        |             |
|      |        |             |
|      |        |             |
|      |        |             |
|      |        |             |
|      |        |             |
