

# Activity 1

## Part A:

It's important to make sure your password is strong.

A strong password has:

- ⦿ At least 6 characters
- ⦿ Letters
- ⦿ Numbers
- ⦿ At least 1 capital letter
- ⦿ Symbols - @, \_ #, \$, %, -, / etc

Take a look at the passwords below.

Which ones are strong and which ones are weak?

Passwords	Strong	Weak
Cats%run8912		
Pretty20		
Flowers		
pink-Rabit75		
spiderman		

## Part B:

Create your own strong password: .....
