Read the conversation. Choose the correct word, then listen and check your answers. Practice the conversation with a partner. Switch roles and practice it again.

A: What do you think about the (architecture / architectural) of the new museum?

B: I like it. It's quite (obvious / impactful), so I feel engaged before I even see the exhibits.

A: I agree, and there are (comfortable / removable) seating areas, too.

B: There is one problem, though. There's no (technological / obvious) place to park.

A: True, but it's in a (residential / resident) zone, so they don't want you to drive to it.

B: That makes sense. Too much traffic is really (protective / negative) for the area. I'm sure they want it to be (attractive / attraction) to tourists.
