

Complete the text with the correct form of the verb in brackets

Addicted to games

Many parents ¹ *don't like seeing/don't like to see* (don't like/see) their teenage children permanently in front of a computer screen and ² (would like/stop) them playing computer games.

Parents complain that if they ³ (suggest/go out) to take some exercise, their teenage children ⁴ (not seem/listen). Although they sometimes ⁵ (admit/spend) too much time on their computers, they still ⁶ (refuse/give up) their favourite activity.
