2. True or False?

I was at a party on Saturday. My friends were there and we were very happy. We had a barbecue. There were a lot of sausages and hamburgers, but there weren't any sandwiches. There were cookies and there was ice cream. There were grapes and cherries. I love them! The barbecue was at the beach. It was hot and sunny. We surfed and played football on the beach. At 7 o'clock we went home. I was tired!
