Sing a song of people
Walking fast or slow;
People in the city,
Up and down they go.

People on the side walk,
People on the bus;
People passing, passing,
In back and front of us.

People on the subway
Underneath the ground;
People riding taxis
Round and round and round.

People with their hats on,
Going in the doors;
People with umbrellas
When it rains and pours.

Let's guess the opposites!
