

Places Around Town

1. Look at the town map. What places do you see? Follow each set of directions below and identify where the boy is going. Always start at the rectangle labeled START.

							apartment 
							bank 
							hospital 
			START				house 
							park 
							school 
							shop 
							supermarket 

	Directions	Where is the boy going?
1	START  3  3 	to the park
2	START  1  2  3  4	
3	START  1  1  4  1	
4	START  1  2  3  5  2	
5	START  3  3  2  2  4	
6	START  2  2  3  5  2	

2. Click on the icon by each person to hear them describe where they want to go. Draw a line to match each person on the left to the place they want to go on the right.
