My Street

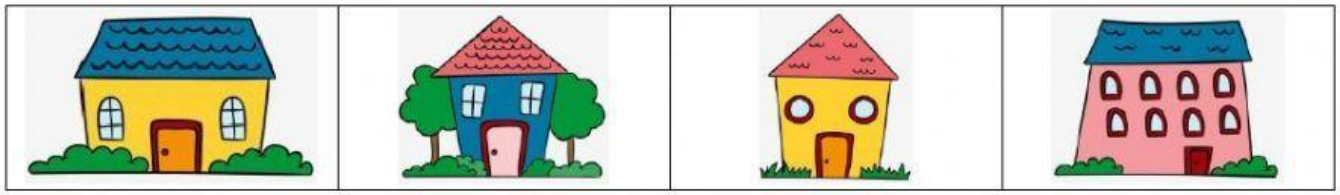

1. Look at the town below. What do you see? Listen to each vocabulary word and then drag each word to the correct box to label the images in the town.

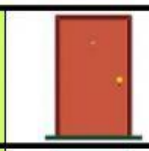

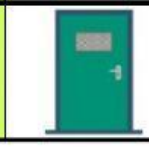

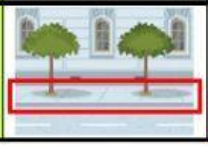

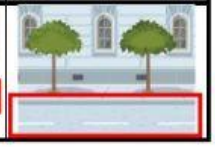

house	apartment	building	street
sidewalk	window	door	roof

2. Click on each person to hear them describe the house they live in. Draw a line to match each person to their house.

3. Read along as you listen to each description. Select the correct vocabulary word for each description.

You open this to go inside buildings.			This is a really big building you can live in.		
When you look through this, you can see outside.			You walk on this when you are outside.
