

Sequencing

Read the passage, and select the events in correct order

First, she planted seeds.

Next, the sun came out.

Then, a tiny plant popped up.

Finally, a flower bloomed.

First	Next	Then	Last
-------	------	------	------

Look at the pattern in each row. Select the picture that continues the pattern.
