

Name:

E-safety

Identity theft

Activity 1

Write True or False next to the sentences.

	Statements	True or False
1	If someone asks for your address online, you should give it to them.	
2	You should always keep your password safe and not tell anyone.	
3	Some apps are for people of a certain age. It is not good to sign up for apps if they are for someone older.	
4	You should not use security software on your phone.	
5	You should download and update all the apps on your phone when they are available.	
6	Installing apps from anywhere and anyone is ok.
