Memories

Here's to the ones **that this** we got
Cheers to the wish **I you** were here, but you're not
'Cause the drinks bring back all **the my** memories
Of **everybody everything** we've been through

Toast to the ones here **tonight today**
Toast to the ones that we lost on the **may way**
'Cause the drinks bring **back rack** all the memories
And **the her** memories bring back,
memories bring back **your you**

There's a **time hour** that I remember,
when where I did not know no pain
When I believed **in at** forever,
and **everybody everything** would stay the same
Now my heart feel like **November December** when somebody say **you your** name
'Cause **I you** can't reach out to call you,
but I know **He I** will one day, yeah
Everybody hurts sometimes
Every Everybody hurts someday, ayy ayy
But everything gon' be alright
Go and raise **a an** glass and say, ayy

Here's to the ones that **me we** got
Cheers to the wish **you he** were here, but you're not
'Cause the drinks bring **next back** all the memories
Of everything we've been through
Toast to **a the** ones here today
Toast to the ones that **we our** lost on the way
'Cause the drinks bring back all **the my** memories
And the memories bring back,
memories bring **right back** you
Doo doo, doo doo doo doo
