C Place value

Explain

This is what 10 **ones** look like:

We can join these together to make 1 ten.

This is what 1 **ten** looks like:

This is what 17 ones look like:

We can show this as 1 ten and 7 ones.

Maths ideas

In this unit you will

* make groups of **tens** and ones
* learn that we can write numbers as tens and ones
* learn how the position of a **digit** tells us the **value** of the digit.

Key words

ones	digit
tens	value

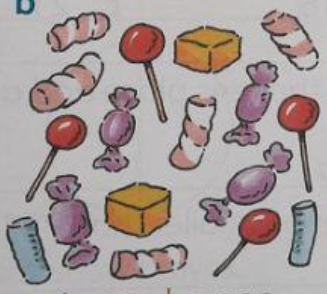

1 Circle the groups of ten. Write the number of tens and ones.

a

tens	ones

b

tens	ones

c

tens	ones

Problem-solving

2 Trevor has 23 mangoes. He sells them in packets of 10.

How many packets can he make from his 23 mangoes? ☐

How many loose mangoes will he have left? ☐
