- Excuse me. Where are the bananas?
    - They're with the apples, next to the peppers, at the bottom of the shelf.
- And where is the milk?
    - The milk cartons near the top-left of the shelf, next to the cream. The milk bottles are in the middle of the shelf, between the cream and the yogurt.
- I can't see the yogurt. Where is it?
    - It is on the second shelf from the top, above the cheese and charcuterie.
- And where are the carrots?
    - They are on the bottom shelf, to the right of the salad.
- Where are the oranges?
    - There are two oranges left under the cheese, in the bottom right-hand box, behind the apples.
- You mentioned charcuterie. Are there any sausages?
    - Yes, just in front of the ham.
