Day:

Activity 1

Date:

Is it a living or non-living thing?

❶ Write 'L' next to the living things. Write 'N' next to the non-living things.

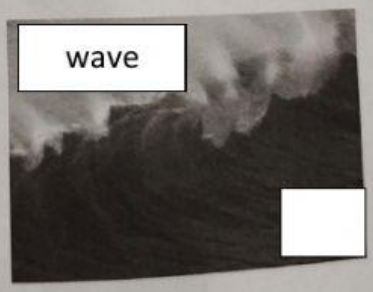

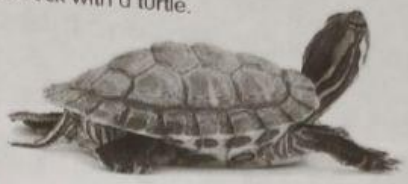

LIVEWORKSHEETS

❷ Use the table below to compare a rock with a turtle.

Does it...?	Rock	Turtle
Move		
Grow		
Respond to changes		
Reproduce		
Is it a living thing?		

❸ Form a group with your classmates. In the table below, write the names of five living things and five non-living things that your group can find in the school compound.

Living things	Non-living things

Thank You!
