4 READING

Read about Daniela, Tania and Christine. Choose the right answer.

Daniela

I don't like science much but I love geography. It's never boring. It's my favourite subject at school. We have that lesson on Tuesday. The lesson starts at eleven thirty and finishes at twelve fifteen. We've got computers in the classroom and we can download information but I don't often use the internet. I sit behind Charlie. He's English. He isn't my best friend but he helps me with my homework sometimes.

Tania

I'm good at science but not geography. I don't really enjoy that subject very much. Our science lessons are on Tuesday and Thursday. The lessons start at nine thirty and finish at a quarter to eleven. We can sometimes play science games on the computers at school. I like doing that. Joelle sits next to me. She's my best friend. She's really good at English.

Christine

I like geography but not always. It's not my favourite subject at school. English is. I'm good at that. We have geography on Thursdays and we have an English class every day. It starts at nine and ends at a quarter to ten. I've got the internet at home but we don't have any computers in our classroom. I do my homework with my sister. She's my best friend too! We're twins!
