HENNSIZER M13 HEADPHONES

Just £18.99 - lowest ever price

OWEN ★★★★★

This is my second pair of Hennsizer headphones – I'm their biggest fan! They're heavier and bigger than my old ones but the most important thing is that they sound fantastic!

ROSIE ★★★★★

They really are the trendiest headphones! They're comfortable and they look good – my journey to school is definitely more enjoyable these days. One small problem – they're too big for my pocket!

LEAH ★★★★☆

You can buy cheaper headphones but they aren't as good as these. They're definitely better than the headphones that came with my MP3 player.
