4 Read about Sophia's weekend. What information about the clock is new?

Last weekend I went to Henley with my new friend, Megan. First, we went for a walk by the river. It was beautiful. Next, we went to a small museum and had lunch. Then, we went shopping and I saw a lovely clock. It was quite expensive (£150!), but I bought it and we took it back to London. It was really heavy! Henley is a nice town – it's very different from Toronto.

Look at part of Sophia's online post and read about making the order clear with **first, next, then**.

*First, we went for a walk by the river. It was beautiful.
Next, we went to a small museum and had lunch.
Then, we went shopping and I saw a lovely clock.*

When we write about events in the past, it's good to make the order clear. We use phrases like:

- First, ...
First, we flew to Berlin.
- Then, ... Next, ... After that, ...
After that, we took a bus to Claudia's village.
- Then, we went shopping.*

We usually use *Next* for the middle event, not the last event.

First, we went to the zoo. Next, we had lunch. Then, we went shopping.
