

Name: _____

Addition to 20

Solve the addition problems below. Write the answer in the box. Use any strategy that you learned! Draw your circles on a piece of paper, count on using your fingers or use the number line.

$10 + 3 = \square$

$4 + 4 = \square$

$11 + 2 = \square$

$16 + 1 = \square$

$12 + 5 = \square$

$3 + 7 = \square$

1.

$$\begin{array}{r} 8 \\ + 4 \\ \hline \end{array}$$

2.

$$\begin{array}{r} 7 \\ + 7 \\ \hline \end{array}$$

3.

$$\begin{array}{r} 9 \\ + 0 \\ \hline \end{array}$$

4.

$$\begin{array}{r} 5 \\ + 6 \\ \hline \end{array}$$
